See what parents have to say!

I would like to THANK YOU Alpadia for the unforgettable times my daughter had in Berlin. She was so excited to be a member of a multicultural, multi-language environment that it was so difficult for me to convince her to flight back home. The teachers and all the staff in the campus were very helpful, with broad knowledge of their aspects and always supportive to all kids participating.

She enjoyed the classes and she enjoyed his ability to translate for the juniors from English to German and vice versa and be supportive to the other team mates. Last but most serious of all, my daughter realizes her high level in German and reinstate her willing to come to Germany for her bachelor studies. All these come from the effort demonstrated from all your staff either administrative or teaching. I certainly recommend the program to any parent willing to sent his kid in a safe enjoyable and effective environment to learn a foreign language.

Our language courses

Develop your language skills.

We offer an effective and enjoyable approach to language learning. Our dynamic teachers focus on communication to create a relaxed, fun and stimulating atmosphere.

Enjoy language learning

The Alpadia course programmes have been specially designed for young students. Each language syllabus is adapted to the level of participants. Alpadia offers an effective and enjoyable approach to language learning, attaching particular importance to communication. We avoid photocopied material and focus on interactive and projected teaching resources. In addition, our materials include a Language Portfolio, which allows students to record their work and take control of their language learning. This is the perfect opportunity to develop your language skills and to have an unforgettable experience!

Our teachers

Our teaching team is made up of dynamic teachers who follow a communicative approach. They are chosen for their teaching abilities, enthusiasm and the personalised attention they know to give each student. They make every effort to create a relaxed, fun and stimulating atmosphere and the topics of the lessons are aligned with the interests of the students. This fun and motivating teaching is the key to effective learning.

Adapted to your level

Prior to your stay, you will take an evaluation online test, after which you will be placed in a class corresponding to your level.

Our certificate

At the end of your stay, you receive an Alpadia language certificate attesting to your participation in classes, indicating the language and level studied and length of stay.

Course types

Classes take place from Monday to Friday. At each venue, you have the choice between a standard and an intensive course. Private lessons are available in combination with the Standard course only.

Standard course

20 lessons x 45 minutes per week

Every weekday, benefit from three hours of language classes in small groups with our engaging and dynamic teachers.

Intensive course

25 lessons x 45 minutes per week

On top of the standard course, benefit from five additional lessons per week, focused mainly on oral communication, ideal for getting the most out of your group classes and encouraging rapid progress.

Private course

5 lessons x 45 minutes per week

Take advantage of five additional private lessons per week to reach your personal objectives and achieve rapid progress. Private lessons can only be combined with the Standard course.

Project Language

This programme offers students the opportunity to work together to design, create and exhibit their own production – a presentation, poster, video etc. It allows each student to share and learn from each other, develop and showcase artistic, creative or leadership skills, manage time, challenge assumptions and become better communicators. Whether students want to create their own class newspaper, direct a play or prepare a business pitch, Project Language will work for them!

Excursions in action

This lesson programme ensures that students keep learning and improving their language skills outside the classroom, on excursions and during extracurricular activities! Teachers will carefully prepare classroom activities based on the places of interest that will be visited so students can learn more about the sights and improve their language skills at the same time. This way students get the most out of their experience in the native environment.

ALPADIA'S GOT TALENT SHOW

I stayed for 4 weeks during which time I met many really nice people. I was never alone and the staff were not like teachers but also became friends. It was great to visit Paris; I went to many museums, which I very much enjoyed. We always had the choice between 3 sportive or cultural activities, so that way everybody was satisfied.

The best thing about Alpadia is the rich choice of activities. I think that the way that we learned German in class was an interesting and effective way. I enjoyed the city, discovering new places and the creative experiences. Premium+ Creative Arts was super with graffiti arts! Getting to know new people and at the same time doing stuff that we enjoyed was great.

Frankfurt-Lahntal

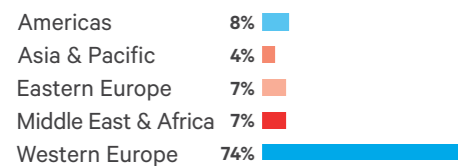

The Heart of the Lahn Valley

Located north-east of Frankfurt, the Lahn Valley is one of the most beautiful regions of Germany. With numerous castles, impressive churches, cathedrals and legacies from Celtic and Roman times, the Lahn valley offers many places of cultural and historical interest. The area is dotted with fortresses, castles and half-timbered houses, which are found over the hills and in the towns. A mix between fairy tale and baroque styles, this unique region offers a multitude of places to visit.

It is an ideal location to experience numerous outdoor activities and to take advantage of the fresh air and natural splendour of the region. Weekend excursions are organised in the nearby cities of Frankfurt and Cologne, allowing students to get a dose of the cities and their many attractions, not to mention the shopping opportunities.

All these attributes make this an idyllic environment for young students to combine language classes with a sportive and cultural language holiday.

Bath

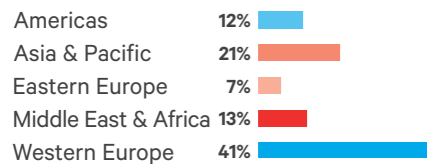

A quintessentially British experience

Bath has been a popular destination for tourists for over 2,000 years. People would flock from all over Europe to bathe in the natural hot springs in the Roman bath house and visit the temple of Sulis Minerva. Then in the 18th century, the spa again was the focal point that attracted people to build the magnificent city we see today. It's no surprise that this jaw-droppingly beautiful place is a UNESCO World Heritage Site.

On top of its rich history, there is so much to do and see in Bath. Walk around and explore the Georgian buildings or join a river boat trip down the River Avon. The small-town environment provides a safe and friendly place to relax in while having fun. It won't take you long to see why Bath is regarded as one of the most beautiful cities in the UK.

You can easily reach some of England's most iconic destinations from Bath. A visit to Stonehenge will take you back 5,000 years as you explore the best-known prehistoric monument in Europe. While you're there, visit the medieval city of Salisbury or learn about the prosperous maritime history of Bristol. Bath is a great destination for a quintessentially British experience.

General Information

Accommodation

Home away from home

It is certainly easier to communicate, to exchange and to discover the culture around you when you feel at home. In a pleasant and welcoming environment, you will be able to take full advantage of your language study stay. We have selected various accommodation options designed around the requirements of young students. Depending on the selected summer camp, students can stay in a residence or with a homestay. Whichever option you choose, you will be in an ideal situation to practise the language you are studying daily.

Alpadia residences

Live with young people of all nationalities, discover various points of view and make new friends. Residence accommodation allows you to have a very enriching experience of community and international life. Depending on the destination, students are accommodated in bedrooms with 1 to 4 beds alongside other Alpadia students. The language classes, the majority of meals as well as some of the activities take place within, or in the immediate surroundings of, the Alpadia campuses (residence and course centre). On request and depending on availability, students may be accommodated with a friend.

Alpadia host families

The conviviality of a family environment, daily practice of the local language and the discovery of a new culture are some of the numerous advantages that homestay accommodation offers. You stay in a single or twin room and share the common rooms with the members of the family. You eat breakfast and the evening meal with the family and lunch in the cafeteria of the course centre. On request and depending on availability, our students may be accommodated with a friend.

Student supervision

Safety is our highest priority

We work hard to create the perfect environment for a language study stay. The supervision of our students is effective and discreet, adapted to the age group and the type of accommodation booked. In this way, each student gets the maximum possible benefit from their stay in complete safety. From the first day to the last, Alpadia team members are present and available to give the assistance requested by each student and to ensure their safety. At our residences, students are monitored 24 hours a day. Students can also benefit from more free time in accordance with their parental authorisation. Emergency numbers, available 24/7, are in service at each of the Alpadia course centres.

Internet & telephone access

Stay connected

The internet lets students stay in touch easily with their families. All Alpadia course centres provide free internet access. What's more, the course venues in the Alps are situated in regions benefitting from good mobile phone network coverage.

My favourite thing about my experience was my beautiful homestay family. I selected a homestay family because it helps to improve your language, and your knowledge of the local culture.

Sofia attended Torquay summer camp

Additional services

Insurance

Health/accident

During your enrolment for one of our programmes, you will need to certify that you are in possession of compulsory health and accident insurance cover, valid in the country that you wish to visit. Alpadia provides insurance for students, from £/€/CHF 15 per week.

Cancellation

In addition, we strongly recommend that you take out cancellation insurance with an external provider, in case, at the last minute, you should be unable to participate in the language study programme that you have booked.

Pocket money service

In the Alpadia residences, a pocket money service is available to the students. Functioning like a bank, the pocket money service is open every day, allowing students to deposit or withdraw money.

Arrival at the course centres

By plane

Each of the Alpadia course centres is located close to an international airport. So whatever the location you have chosen, you will be able to get there very easily! A member of Alpadia staff is present at most major airport hubs close to our schools. They can assist you meeting our approved drivers who will drive you directly to camp. If you so wish, you may book an Alpadia private airport transfer. A cost-effective alternative is the collective transfer: according to a specific timetable, based on the originally scheduled times of arrival and departure, students are collected (on arrival) or driven to the airport (on departure).

By car

Parents are welcome to drive their children by car to the course venue. Complete documentation with all of the necessary information will be given to you prior to the stay. Please do not hesitate to contact us for more detailed information.

By train

The Alpadia train station transfer service may be booked if you are travelling by train. Just like our Alpadia airport transfer, a member of our team welcomes you upon your arrival at the train station and approved drivers bring you to your destination.

By bus

Alpadia organises bus transfers from the main cities in Italian and German-speaking Switzerland, bound for the course centres located in French-speaking Switzerland. This is a good opportunity to get to know some other students before arriving at the course centre.

By train, with our supervision

Available at our Frankfurt-Lahntal course centre, an accompanying adult takes care of the students from their departure at Lausanne train station, and other stations along the way, until their arrival at the Alpadia course centre. Students travel in a relaxed manner without worrying about changing trains alone.

Unaccompanied Minors (UM) service

For your child's flight, we can offer you an **Unaccompanied Minors (UM)** service, provided in collaboration with the airline. Your child will be met at the airport by an airline representative and assisted throughout the journey. This service is designed for young children travelling alone and is strongly recommended for travellers under 13 years of age (some airline companies even require it). Airlines will charge you the fees related to this service when you purchase your flight ticket; you will then need to register the UM service with Alpadia at the time of enrolment. This means your child will be collected by an Alpadia staff member on arrival, and assisted during the hand over to an airline representative on the day of departure. With this service, young travellers are sure to be assisted at all times, at the airport and throughout their flight.

3. Information provided at the time of registration

The contract partner expressly declares that the information provided at the time of registration for a language course is true and accurate. Any inaccurate information or omission may lead to immediate expulsion from the course (for example, if a "beginner" overestimates their level of linguistic ability in order to be able to start a course on a date other than the official commencement date for "beginners"). In that event, the costs of the course will not be refundable, either in whole or in part. Participants will take a placement test shortly after arrival at their destination school and will be placed into the following levels: Beginner-Elementary, Intermediate, or Advanced.

4. Application Fees

Alpadia will charge the following Application Fee for each booking:

- CHF 125 (for bookings in Switzerland);
- € 90 (for bookings in France and Germany);
- GBP 60 (for bookings in England);

This fee is non-refundable. In the event of late registration (being two weeks or less before the commencement date of the relevant language course), participants will be charged an extra fee for express processing of their booking of:

- CHF 45 (for bookings in Switzerland);
- € 40 (for bookings in France and Germany);
- GBP 40 (for bookings in England);

5. Changes to course

Any change to school location, course downgrade, change in weeks booked or removal of additional service will be charged at CHF 95 (for bookings in Switzerland), € 80 (for bookings in France and Germany) or GBP 50 (for bookings in England) per change. No charge for upgrades. For postponement related changes, please refer to postponement policy.

Alpadia is not obliged to fulfil any change request. If changing to a location (or changing course) where fees are lower prior to the course start date, the difference in fees will not be refunded. If the change occurs after the course

commencement date, there will be no refund of the difference. If changing to a more expensive location or course, the difference in fees will be charged. All changes are subject to Alpadia's discretion and require approval of the Camp Manager. Participants will not be charged a change fee if they extend their course, but late homestay extensions may require a re-placement fee.

6. Postponement Policy

- Postponements will only be made on receipt of a valid written student request. This excludes passport not received on time, mild illnesses etc.
- Bookings may be postponed a maximum of two times within one year of the original booking date.
- Bookings may only be postponed by up to 6 months at a time and up to one year in exceptional circumstances.

Your booking will be postponed honoring the original fees you have paid.

- Only one tuition promotion may be used at any time; any previously expired promotions will no longer be valid at the time of postponement; a current promotion, valid at the time of postponement, may be applied.
- Any additional incurred actual costs for accommodation postponements, regardless of notice provided, will also be charged.

In all cases where a visa or visa support documentation has been issued, the relevant immigration authorities will be informed.

Postponements made less than 7 days before the arrival date on the Booking Confirmation Form, including failure to show up, will incur a fee of one week's accommodation and one week's tuition fee.

7. Conditions of payment

Fees will become payable immediately on receipt by the participant/contract partner of their confirmation of booking as follows:

- deposit payment of 10% of the total invoice or a minimum fee of € 250/ CHF 200/£ 200 (whichever is more);
- payment of the premium for the health insurance (where such policies have been taken out by the participant).

The balance of the total fees for the course, accommodation and any extra activities must be paid at least four weeks prior to the commencement date of the language course. Neither the course nor the accommodation will be deemed to have been paid for unless the relevant amount has been received into the account details provided by Alpadia upon confirmation of registration.

In the event of a booking made within 4 weeks of the commencement date of the language course, the contract partner acknowledges that the full amount is due at registration.

Payment of fees can be made online by credit card through Flywire or by bank transfer. Details of how to pay will be provided at the time of booking.

8. Payment period

In the event that the payment periods specified by Alpadia in the confirmation are not complied with, the contract partner will be held liable. In such circumstances, Alpadia reserves the right to refuse the participant entry to the course. No claims will be accepted by Alpadia that arise from the contract partner's failure to comply with the payment periods communicated to the contract partner.

9. Proof of payment

Participants may be asked to provide documentary proof of payment of the full fee for their course and accommodation either before or on commencement of the language course. Failure to do so may mean that entry to both the course and the accommodation will be refused. In the case of late registration, Alpadia will ask for proof before sending the pre-arrival documentation.

To exercise the right to cancel under the EU distance contract terms, the participant must inform Alpadia of the participant's decision to cancel this agreement by email to: bookings@alpadia.com.

12. Cancellation insurance

Alpadia recommends that contract partners take out a cancellation insurance policy. Information relating to the regulations governing security,

Terms & Conditions

No reimbursement will be made, either in full or in part, in the event that a participant is refused permission to enter or stay in Switzerland/Germany/France/UK as a result of their own fault or conduct. Alpadia will provide a letter of invitation to the participant to assist with the visa application following receipt of all the costs of the language course from the participant/contract partner. Participants are responsible and need to make sure they have a passport on time in their possession before the start of their course.

15. Accident/health insurance

Every participant will be solely responsible for obtaining accident and health insurance cover valid for the country in which they intend to stay for the whole duration of their stay. This insurance is mandatory during a participant's study at Alpadia and can be purchased through Alpadia or other insurance providers. In the event that any participant does not have such cover at the time of registration, an appropriate insurance policy covering these risks can be purchased from Alpadia if requested.

16. Damage caused by participants / civil liability

Prior to arrival at Alpadia, each participant must take out a policy of insurance to cover any loss/damage which they may cause during the course of their stay. In any event, and even if a participant does not feel that it is appropriate for them to take out such insurance, the participant and/or contract partner shall remain liable for any losses, expenses and claims suffered or incurred by Alpadia, its commercial partners and any other third party caused by the conduct of the participant unless such losses, expenses or claims are attributable to any act or omission of Alpadia.

17. Obligations of participants

Participants are required to attend the course and to arrive on time. They are responsible for choosing a course which is appropriate for their level of capability. Failure to attend the course, or irregular attendance, or any disruption to lessons caused by an individual participant's behaviour will entitle Alpadia to expel the participant. The same sanction may apply to inappropriate behaviour in the place of accommodation offered by Alpadia. Alpadia will not refund or pay compensation for any part of the missed course or accommodation or any additional travel costs incurred caused by a participant's expulsion.

18. Accommodation: Arrivals and departures

All accommodation is booked from the Sunday before the course start date until the Saturday morning after the course end date, unless otherwise advised. A partial week may be counted as 1 week's accommodation. Check-in time for most accommodation is from 14:00 to 16:30 and check-out time is from 09:00 to 11:30 unless special arrangements have been made with the accommodation provider or an alternative check-in/check-out time is noted in the accommodation fact file. Students arriving between 22:30 – 06:00 may be asked to book alternative accommodation in a hotel on their first night due to late/early arrival at accommodation, or be charged an extra night of accommodation. Students wishing to book an extra night on arrival (for Saturday arrivals) and/or on departure (for Sunday departures) can do so at a rate provided on request depending on availability by Alpadia.

19. Duration of lessons

All language lessons are 45 minutes in duration unless otherwise stated. Courses run from Monday to Friday and lessons are scheduled in the morning or the afternoon. Alpadia cannot guarantee a specific timetable.

20. Substitution policy

If, after the placement test taken on arrival at the summer camp a participant is found to be at a level which is not appropriate for their booked course, the school reserves the right to place the participant in an appropriate level class, which may have fewer lessons and a different curriculum. Participants who do not have the ability to follow any course on offer may be required to terminate their studies with Alpadia. We also reserve the right to cancel courses at short notice due to insufficient demand.

21. Course changes

Alpadia has the right to change accommodation options, course dates, course curricula, instructors, locations and courses at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the participant, all fees will be refunded.

22. Prices

Alpadia may change prices due to tax increases, governmental actions or any other event or circumstance beyond Alpadia's reasonable control or circumstances that may affect the operations of the business. Prices are valid for courses starting in 2024.

23. Books and learning materials

All books and learning materials will be made available to participants during their course and are included in the package tuition fee.

24. Meals and classes missed

No refunds or substitutions will be made for meals or classes missed due to public holidays, exams, excursions, first day orientation or other obligations that fall outside the normal schedule.

25. Inconsistent attendance

Any participant who does not attend all of the classes which make up the language course will not be entitled to any reimbursement for missed classes.

26. Complaints

Until such time as a participant receives the confirmation of registration, Alpadia may change the dates and prices of language courses published on the internet, brochure or any other communication tools at any time. Following confirmation of registration between Alpadia and the participant, Alpadia may change its programme of services, provided that the changes are minor, unavoidable and do not in any way adversely impact the teaching services to be provided to the participant. In the event that the "key" services provided by Alpadia are affected by major changes, participants may withdraw or apply to join a different course of the same value, if Alpadia is in a position to provide this. Alpadia must notify participants of any changes immediately and participants must notify Alpadia as soon as possible after receipt of such notification of their intention to exercise their rights set out in this clause.

28. Premium+ options

In the event that the number of participants for one of the Premium+ options is insufficient, Alpadia reserves the right to cancel it and offer an alternative option to the participant as follows:

Alpadia shall inform the participant of the change no later than one week prior to the course start when possible, Alpadia shall offer an alternative Premium+ option.

In the event the participant wishes to change their Premium+ option during the stay, the following terms apply:

- the participant's parent or guardian must give their consent to the change;
- a change will only be permitted if there are still places available in the new chosen option;
- a change will only be permitted if the participant's withdrawal from the previously chosen option does not jeopardize the continuation of that option for the other participants (minimum number of participants);
- the cancelled option will not be refunded; and
- the fees related to the new option will be charged to the participant.

29. Transfer by bus

In the event that it is not possible to achieve the number of participants required to organise transfer by bus (a minimum of 12 persons), Alpadia reserves the right to cancel the transfer and will notify the participant at least two weeks prior to the commencement of the language course. In that event, Alpadia will reimburse the full cost of the transfer.

30. Activities

Depending on the weather conditions or other circumstances beyond the control of Alpadia and its organisation, Alpadia reserves the right to cancel one or more of the scheduled activities described in the brochure and centre guide. In that event, Alpadia undertakes to substitute the cancelled activities with others.

31. Force majeure:

Alpadia shall not be in breach of these terms and conditions nor liable for delay in performing, or failure to perform, any of its obligations under this agreement if such delay or failure result from events, circumstances or causes beyond its reasonable control including but not limited to: fire; natural disaster; acts of government; failure of suppliers or sub-contractors; labour disputes or civil unrest; criminal, terrorist or threatened terrorist activities of any kind; pandemics and other public health emergencies; any negligent or wilful act or failure to act by any third party; or any other cause beyond the direct control of Alpadia (each a "Force Majeure Event").

Where any course is cancelled by Alpadia as a result of a Force Majeure Event, it is acknowledged that:

- Alpadia has the right to retain a pro-rated amount of any fees paid where services have been partially provided. Any fees retained will be proportionate to the services provided;
- Alpadia shall be entitled to deduct any irrecoverable fees it suffers from the amount of any refund, for example cancellation fees or similar;
- Alpadia shall have the right to provide a substitute course to the cancelled course, including online and virtual alternatives; and

- Any third party services procured by Alpadia on behalf of the participant, including but not limited to accommodation, transfers or insurance shall remain subject to the terms of the respective provider's terms and Alpadia shall not be liable for such third party services or any act or omission of such third party.

32. Liability

To the extent permitted by law, the liability of Alpadia, its group companies, their directors, officers, employees, affiliates, agents and partners with respect to losses arising from negligence, breach of contract or otherwise will be limited in all circumstances to the full amount paid to Alpadia for the particular language course. Such companies and persons will in no circumstances have any liability for indirect or consequential losses or damages. Under no circumstances can Alpadia be held liable for any loss resulting from illness, accident or inconvenience caused by poor service provided by any agent appointed by Alpadia. Furthermore, Alpadia will not be responsible for the loss of any valuables, personal items, money, or other possessions unless such losses arise from the gross negligence of Alpadia.

33. Safety and security

Alpadia is authorised to take all reasonable action as required to ensure the well-being, safety and good health of the participants. Alpadia is also entitled to take all necessary measures to provide a participant with any appropriate medical care in the event of necessity. Any costs arising from such medical attention will be borne by the participant, or their parent/guardian if they are a minor. A written release/authorisation signed by a participant's parent or guardian will be required in respect of certain sporting packages where risk is involved. Without such a signed document, Alpadia reserves the right to refuse to allow the participant to take part in certain sporting activities.

The camp is incredible. The facilities are really good. The food they serve in the cafeteria is great. But the most important thing is that you have a ton of fun. You make friends from all over the world and you keep amazing memories.

Astrid from Spain 🇪🇸
attended Leysin summer camp

I am very happy because everyone is friendly and I have made lots of new friends (Russian, German, Swiss, Egyptian, Americans, Spaniards and Mexicans). I enjoy discovering new cultures. Every excursion is different and I prefer the amusement parks; Asterix and Disneyland. The best part of the camp is in the evening: barbecue, party, karaoké where I sang (even if I'm not a good singer). I miss my family but my friends here make me feel better. I feel at home.

Sayf from Saudi Arabia 🇸🇦
attended Paris summer camp

I enjoyed my time here especially the trips to beautiful places like London and Winchester. I'm happy because I practised my English and had a lot of fun with Alpadia.

Laura from Italy 🇮🇹
attended London-City summer camp

We would like to take this space to thank our summer staff who helped us ensure that our students had an amazing time during their language summer stay with Alpadia. The team took lots of great photographs of our students and of the various activities.

Photo credits: Andreas Riedel, Eric Marin, Wayne Matthews-Stroud, Tony Kunz, The noun project, istockphoto, Shutterstock, Alpadia staff team members at all our European camps. A big thank you for contributing to the success of our summer season!

While we make every effort to ensure the accuracy of prices for our services, prices are subject to change without notice.
