Welcome to Speakeasy!

Speakeasy is small family-run language school located in Chiswick, a lovely part of West London not far from the city centre.

We opened our doors to foreign students in September 2002. Since then we have taught English to thousands of foreign speakers from all over the world. We have been accredited by the British Council since 2009 and we were the first London-based Callan Method school to be accredited by the Callan Method Organisation. We offer courses to all types of students who reside in London, as well as visitors, and international students who wish to enrol on Short Term Study Visas for up to 11 months or less.

As a small school we pride ourselves in providing individual attention and support to students. Our reception door is always open, allowing you to come and speak to us about anything you need during your stay in the UK.

Our website, www.speakeasyschool.co.uk, gives up to date information on the courses available at Speakeasy, and on the other services we offer to students. If you would like to ask us a question, please contact us and we will be more than happy to help you.

We look forward to seeing you very soon!

Our Location

Chiswick is a beautiful residential part of West London, renowned for its numerous bars, cafes and restaurants. It is about 6 miles west of Hyde Park Corner, and situated in a loop of the River Thames south of Acton, with Hammersmith to the east and the lovely area of Kew just a mile or so to the west, with its famous Botanic Gardens. Most people come to Chiswick to admire the 18th century architectural style of Chiswick House and visit the home of the artist William Hogarth. There is also a very pleasant riverside walk that runs along the Thames, with a selection of historic pubs, which are especially popular in the summer months. The School is located on Chiswick High Road, less than 2 minutes walk from Stamford Brook Underground Station. The main road is equally accessible by buses running between Hammersmith, Fulham, Shepherd's Bush, Ealing, Twickenham and Richmond.

How to find us

To get to Stamford Brook Underground Station you need to get on the District Line (Green). It is important to remember that Stamford Brook is located on the Richmond or Ealing Broadway part of the District Line. If you are heading from central London, take any west-bound District Line Train, if it goes to Richmond or Ealing Broadway, then just stay on the train until you reach Stamford Brook, otherwise change at Earls Court for a Richmond or Ealing Broadway service.

We Look After Our Students

“Measures are in place to ensure the safety and security of students on school premises. There is a very caring and friendly atmosphere in the school, and pastoral care is good.”

(British Council, Full report 2017)

Detailed information about the services we offer can be found in the Speakeasy Student Handbook available on our website at www.speakeasyschool.co.uk.

If you wish to apply for a student visa, we are happy to provide you with information and assistance in contacting the appropriate authorities.

Social activities

Although we **do not** organise leisure activities for students, we are always happy to help with ideas on a variety of day trips, walks, shows, parties, etc that you can enjoy every month. For information on day excursions and short breaks you can pick up a copy of Anderson Tours brochure available at our reception; for a programme of sightseeing and theatre events you can refer to the leaflet stand, or check the posters on our information board. For suggestions on what to do after school, visit our facebook page or check the posters on the information board.

Callan Method: *General English*

*"The Callan Method is a fast way of learning English.
This method allows me to improve my pronunciation and speaking"
(Chloe from France)*

Speakeasy School teaches English using the Callan Method which works fast, is fun to use and can work for any student, regardless of their age, nationality or learning ability. It was first developed by Mr Robin Callan in 1960, and is based on the Natural Approach, similar to the way children learn their first language: the student first hears a new word, then imitates what he hears, later sees the word written, and finally writes it himself.

The Callan Method has 12 Stages, from beginner to advanced, and takes an average of 1 year to complete from start to finish.

What makes us different from other courses?

Speed

The Callan lessons are taught at a very fast speed (240 words a minute). It prevents boredom, makes each student concentrate, stops them from translating in their head, allows them to hear more words repeated more times, and makes it easier for them to understand English outside the classroom.

Continuous repetition

The lessons are taught through constant repetition and revision of grammatically correct sentences. By revising everything four, or five times, the Callan Method makes sure that the student remembers what he learns (usually for the rest of his life), no matter how poor his memory is.

Constant change of teacher

The Callan teacher changes every hour, so depending on how many hours students study per day, they get taught by two, three or more different teachers. The reason for this, is to overcome the boredom of going over the same material lesson after lesson. A change of teacher also helps the students understand different voices and accents.

Free Online Student Practice Area

Studying with us gives you access to the interactive Student Practice area, which you can use on your PC, tablet or mobile phone and carry on learning whenever you want and wherever you are.

Why the Callan Method?

"Because it's easier and faster to learn using this method. I like it because they teach us to memorise new words and even grammar. It helps to improve my English, so I can have a simple conversation in English".

Valentina from Colombia

"Because it has improved my English speaking and listening very quickly by repeating sentences and expressions that are commonly used in daily conversations"

Stephanie from Brazil

"Because I'm hearing and using the language. I like that the teacher speaks quickly and corrects pronunciation mistakes"

Augustin from Italy

Exam Preparation Courses

The exam preparation classes are conducted in a traditional method of teaching and include exam techniques, strategies and tip; intensive writing practice as well as extra speaking and listening exercises. They also focus on specific grammar issues, as well as vocabulary, including phrasal verbs and prepositional phrases.

We currently prepare for two exams, Cambridge English: B2 First and IELTS.

Cambridge English: B2 First

The Cambridge English B2 First, formerly known as the Cambridge First Certificate Exam (FCE), is an internationally recognized qualification in English, accepted by many employers and educational institutions. It is set at the upper-intermediate level and covers four main language skills - reading, writing, listening and speaking, as well as assessing grammar and vocabulary.

IELTS

The International Language Testing System (IELTS) tests English proficiency in all four language skills as well, but is more favoured by educational institutions (colleges, universities, etc). Some employers and government immigration agencies also rely on IELTS as part of their recruitment or admittance procedures.

A red double-decker bus is parked on a street. The bus has an advertisement on its side that reads "IT'S COFFEE BUT NOT AS YOU KNOW IT" and "A NEW NITROGEN-INFUSED COFFEE". The bus is surrounded by lush green trees and foliage. In the background, a white building with windows is visible. The scene is brightly lit, suggesting a sunny day.

The Timetable

We teach English to adult students (18+) from over 40 different countries. We are open from 9.30 am until 9.30 pm, Monday to Friday, and closed at weekends, bank holidays, Easter and Christmas.

Students are welcome to start their classes any day of the week, at any time of the year, with a choice of how many hours per day/ per week they wish to study. We run classes in the morning, afternoon and evening in blocks of two, three or four lessons per day.

All our lessons are 50 minutes long with a 10 minute break. Our full timetable is available on our website.

How to enrol

Fill in the application form (available on our website) and deliver, post, or e-mail it to the school. Remember to complete the accommodation/airport transfer section of the application form, if you require accommodation or an airport pickup.

We will contact you (within 24 hours) to confirm how much you have to pay for your course and accommodation/airport transfer if required. We will also request any additional documents we might need from you (visa students).

You can then make the appropriate payment: by cash (in person only), credit card or bank transfer. Remember to send us evidence of your payment, if you are paying by bank transfer from abroad.

When we have received your payment we will issue you with a Certificate of Enrolment. If you need a visa to enter the UK, you will need to enclose the Certificate with your visa application, or show it to the British Embassy in your country, or an immigration official at your UK port of entry.

We will also contact you to confirm your accommodation arrangements and/or airport transfer if required.

“You helped me a lot with my self-confidence in speaking English! I’ll come back to this school next year! “

Accommodation Details

Accommodation arrangements for our students are made by Britannia Student Services and Hosts International, both British Council registered agencies.

Homestays

This is the most popular type of accommodation which offers an opportunity to speak English outside the classroom and experience being part of a British home. Our host families are located near stations or bus routes in zones 2, 3 and 4.

Homestay accommodation is available on a half-board (HB), bed and breakfast (BB) or self-catering (SC) basis. The most frequently requested meal plan is half board, which means you receive two prepared meals per day (breakfast and dinner), seven days per week. The bed and breakfast option means that only breakfast is included in your meal plan, and self-catering students must purchase and prepare their own meals.

Halls of Residence

Beaumont Court, Britannia South Bank and Tufnell House, all offer students an independent lifestyle. Arranged through Britannia Student Services, halls of residence provide a high standard of living with furnished bedrooms, modern kitchens, and fun communal areas. They are located primarily in zones 1 and 2, offering single, twin, double and studio rooms.

Halls of Residence are available on a self-catering (SC) basis only.

“The host mother is very kind. She tried to speak to me every morning. She introduced her husband and daughter to me. She not only did my laundry, but also dried it! I was impressed so much!!”

(Kosuke from Japan)

Other Accommodation

Studios and **house/flat shares** offer an independent lifestyle and are more suitable for the long term student. This type of accommodation is provided on a room only basis, and often includes shared kitchen and bathroom facilities. It cannot usually be pre-booked from overseas; we recommend that long-stay students requiring this type of accommodation initially book accommodation in homestays or hostels. We will be pleased to help arrange alternative accommodation for them after arrival. Alternatively, we can provide information on a selection of good, centrally located budget **hotels that have been tried and tested by other students**. Please ask us for details.

The Student Experience

As a relatively small school, we enjoy an exceptionally close relationship with our students. Our office door is open at all times and we are always happy to offer students any advice and support that they may need during their stay in the UK.

When you come to the end of your course we can help you decide what to do next and assist you in understanding the many different options available for further study in the UK.

“Since last June, my English has always been improving, and I am very happy for this. I will never forget this school. Thanks”

(Ana from Spain)

The image shows the exterior of a brick building housing the Speakeasy School of English. The building features a prominent yellow sign with the school's name and logo. The sign is mounted on a brick wall above a row of three large, white-framed windows. The windows are illuminated from within, showing a warm interior. A large, leafless tree is in the foreground, partially obscuring the building. The sky is a pale blue, suggesting dusk or dawn. A yellow text box is overlaid on the upper right portion of the image, containing a testimonial and the name of the person who provided it.

“Thank you! Those were great days. I have overcome many difficulties. You are excellent teachers.”

(Karena from Brazil)

“One of the best things about my experience here in London was this English language school. That involves all of you. I will never forget. In my class, the students form a family. After a hard days’ work, we come to class for learning, but especially... for laughing. Many thanks to all!”
