**General English Progress Test Week** Assessments play an important part in a student's progression towards their learning objectives. They give students feedback about their progress, and help us to make sure students are in the most suitable class to support their journey.

For Your Consideration

We want our NEW STARTERS to have a fantastic experience. Our recommendation is to avoid enrolling new students during IH Progress Test Weeks as the entire week is dedicated to testing. Please see our 2024 dates below.
