**IELTS PREPARATION**

# IELTS PREPARATION

CRICOS Course Code: 068744J

Does your future plan require a certain IELTS score? Do you need a serious approach to improving your writing and reading skills, but you think exam preparation courses can be boring and too serious? Learn from our experts - you will never have time to get bored, but you will learn fast. Our experienced and passionate teachers lead dynamic and interactive classes.

The IELTS test is one of the world’s most popular English language tests for those preparing for further study or migration to English-speaking countries. In the IELTS Preparation course, you will gain complete knowledge of how the test works and what strategies you need to tackle each question type.

## WHO IS THIS COURSE FOR?

The IELTS Preparation course is designed for students who want to familiarise themselves with each component of the IELTS test and become test-ready. This course is also perfect for students who want to focus on improving academic literacy, or who want a more intensive course than General English.

At CTIC we prepare students for both the Academic Module (AC) or General Training (GT) Module of the test, and each student receives individual support and advice according to their needs.

To join this course you need an English level of at least Intermediate or IELTS Band 5 and you can study for as little as 4 weeks or as long as 20 weeks, depending on your goals. Our Academic Manager can assess your English skills and advise you on an appropriate individualised study plan, and your progress will be carefully monitored. Students are given end of term tests every four weeks - this is a full mock test day which is designed to replicate the real exam day experience.

## WHAT SKILLS WILL YOU GAIN?

The IELTS course is a multi-level program offered at Intermediate to Advanced Level. The whole course takes 20 weeks to complete. Students are given end of term tests every four weeks.

- Academic reading & listening skills & test-taking strategies
- Effective writing strategies for Parts 1 & 2 of the exam
- Critical thinking & brainstorming skills to help you to develop a logical argument
- Frequent mock tests in all skills with grades and full feedback
- Lots of speaking test practice & structured classroom discussions to help build confidence

**CAMBRIDGE ENGLISH**

# CAMBRIDGE ENGLISH : FIRST(FCE) /ADVANCED(CAE)

CRICOS Course Code: FCE: 093859A CAE: 093858B

Learning English 'Cambridge style' is a more intensive experience than studying General English at the same level. The programme is designed to help you match your fluency with a high degree of accuracy. You will quickly gain confidence and develop your own unique style of expression. You will build a rich vocabulary and review grammar, which is tested in the Use of English component of the exam. The course has a strong emphasis on functional English to make you better-equipped to communicate flexibly in your workplace or university, and in society. That is why a Cambridge Certificate is seen as a life-long qualification and not just a piece of paper! The Cambridge Test is one of the most recognised tests around the world, and a lot of companies in non-English speaking countries require you to have a Cambridge test score when you apply for a job. Cambridge CAE is also accepted by the Australian Department of Home Affairs for visa purposes and for entry into Bachelor and Master's courses at all major Australian universities.

## WHO IS THIS COURSE FOR?

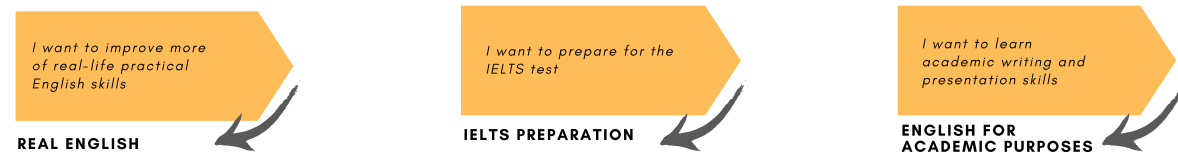

The Cambridge English course is designed for students who wish to acquire the language and test-taking skills necessary to undertake the Cambridge test. Because Cambridge qualifications are recognised by over 20,000 universities, employers and governments around the world, having a Cambridge English certificate gives you a variety of opportunities as it is a very prestigious qualification to possess. This course is also a perfect option for those students who are not even planning to sit the test but who would like to have a real challenge in English learning.

## WHAT SKILLS WILL YOU GAIN?

The Cambridge English course is a 2-level program offered at First (FCE) and Advanced (CAE) levels. Each level takes 12 weeks to complete. Our dedicated teachers have meticulously created our syllabus to incorporate all four language skills and knowledge of grammar and vocabulary. Students are given end of term tests every four weeks and weekly mock tests in individual test components.

- Listening exercises
- Common phrases and key vocabulary
- Understanding and analysis of 'real life' situations in conversation
- A comprehensive understanding of prepositions, phrasal verbs and collocations for writing
- Analysis of writing task types and a complete guide to required essay structure
- Complete test training and detailed test tips
- Weekly mock test

**ENGLISH FOR ACADEMIC  
PURPOSES (EAP)**

# ENGLISH FOR ACADEMIC PURPOSES (EAP)

CRICOS Course Code: 068743K

Are you nervous about undertaking further study in Australia? Do you think you are ready to study at tertiary level in Australia but are not sure about what you will face in an academic environment? The EAP course prepares you for coursework in a college or university as it focuses on skills and abilities you will need to survive and excel in the academic culture, such as individual or group presentation, participation in a tutorial discussion, essay writing, and referencing skills.

## WHO IS THIS COURSE FOR?

The EAP course is designed to prepare students for study in any English-speaking institution where academic literacy in English is required, such as a university or VET College.

Skills developed include: listening and note-taking, paraphrasing and summarizing, seminar presentation and discussion skills, analysis of the features of academic writing, university level vocabulary, the development of efficient research techniques, and essay writing.

Students who wish to use an EAP certificate to articulate to one of our partner institutions will need to complete the full 12-week course and pass all assessments, but we also welcome students who want to study academic English for a shorter period to become aware of the differences between using English in everyday social situations and interacting professionally in more formal situations.

You need to be ready for Upper Intermediate level to join the class, but then 'the sky's the limit'. You may be aiming for an IELTS Band score equivalent of 5.5 but we also cater for students who need to achieve a Band 6-6.5+. The language skills and study techniques you learn in EAP will also help in the preparation for international English proficiency examinations, such as IELTS or PTE because EAP focuses on improving your ability to cognitively engage with what you hear or read and on building critical thinking skills.

## WHAT SKILLS WILL YOU GAIN?

Our highly experienced EAP teachers specialise in building academic literacy and giving you the tools to communicate appropriately in more formal settings. They will also focus on helping you to be an organized and independent learner by teaching you good time management, how to maintain self-motivation, and set achievable goals.

- Develop academic skills including essay writing, researching, note taking and referencing
- Build a comprehensive understanding of how academic texts are structured
- Learn how to use complex sentences, nominalization and other techniques to write in a formal register
- Develop individual and group presentation skills and overall communicative confidence
- Complete academic tasks and assignments expected at vocational and tertiary level
- Complete test training, utilizing a wide range of strategies to tackle different task types
- Sit a monthly test in each macroskill - reading, writing, listening & speaking

## WHAT'S YOUR NEXT STEP?

*I am ready for vocational or tertiary study*

*I want to take my English proficiency to the maximum level and I want to gain a prestigious qualification that shows my high level of proficiency which never expires.*

*I want to improve more of real-life practical English skills*

*I want to prepare for the IELTS test*
